

FULL CYCLE worksheet

Mystery word: spot the letter in each QR code

Oh look! Things you'll find on a bike

Now design your own

 saddle	 computer	 bell
 frame	 basket	 light
 mirrors	 chain	 handle bars

JOOOOOOOKE!!

Q: Why can't a bicycle stand up on its own?

A: Because it's two-tired!

What are these Victorian women saying?

During World War II, there was a rubber shortage. What did Ted use instead of an inner tube?

- A) Socks?
- B) Straw?
- C) Air?

Imagine where the forest gate could take you!
